PLAN OF ACTION

If I am selected as a Webmaster I would like to work on updating the websites as per the requirement. If I am selected as the Creative Head I would like to Brainstorm ideas along with keeping the attention on the Video Editing aspect. And if I am selected as the event head then I would ensure that the whole event runs smoothly like in it there are various aspects like PLANNING, CO-ORDINATION, CONTROL, CULMINATION, CLOSEOUT, I would ensure all of these aspects are taken care off.
